

## Domestic water distribution manifolds preassembled in boxes 360 series

### Function

The 360 series chrome-plated manifolds are used to control and distribute the medium in domestic water circuits. They are supplied already assembled in a plastic inspection box to facilitate positioning and plumbing installation. The manifolds are equipped with **shut-off valves with a handwheel for each single circuit and labels to identify the appliance served**. The male threaded head connection is fitted for **direct coupling with the compression fittings** for copper, plastic, single and multilayer pipes.

### Product range

360043 code	Preassembled manifolds in boxes with 4 outlets for cold water and 3 outlets for hot water. Chrome plated.	size 3/4"
360054 code	Preassembled manifolds in boxes with 5 outlets for cold water and 4 outlets for hot water. Chrome plated.	size 3/4"

## Technical specifications

### 360 series

#### Materials:

##### Manifolds

Body:	brass EN 12165 CW617N, chrome plated
Control device upper part stem:	brass EN 12165 CW617N
Control device upper part:	brass EN 12165 CW617N
Hydraulic seals:	EPDM
Knob:	ABS
Brackets:	stainless steel

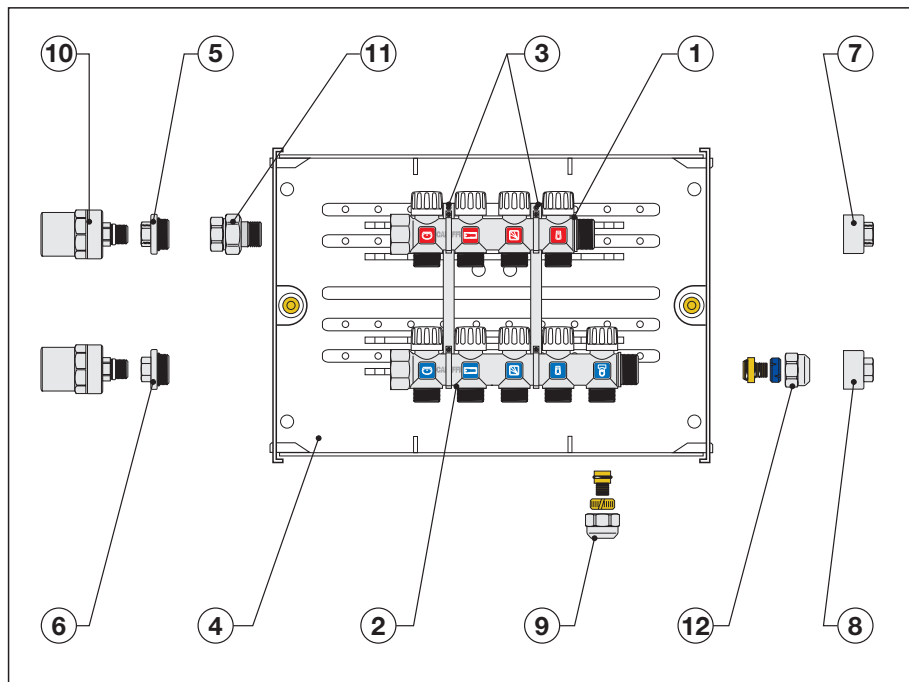

##### Box

Material:	ABS
Useful dimensions:	320 x 250 mm, depth 90 mm

#### Performance:

Medium:	drinking water
Max working pressure:	10 bar
Working temperature range:	5–100°C
Main connections:	3/4" F x M
Outlet connections:	23 p.1,5 Ø 18
Outlet centre distance:	35 mm

## Characteristic components

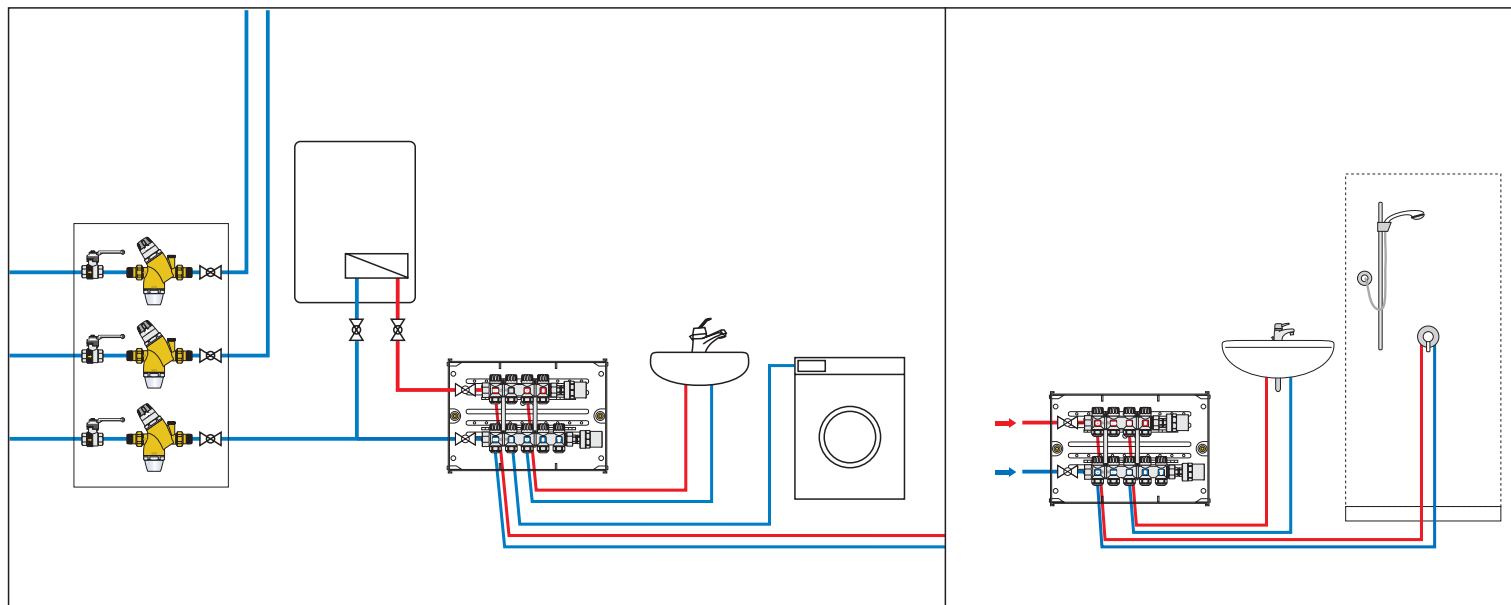

### Pre-assembled unit supplied with:

- 1) Hot water manifold with shut-off valves.
- 2) Cold water manifold with shut-off valves.
- 3) Pair of clamps fastening to the box.
- 4) 360 series box.

### Accessories

- 5) Fitting  $\varnothing 3/4"$  M x  $\varnothing 1/2"$  F chrome plated, 364255 code.
- 6) Head plug  $\varnothing 3/4"$  M chrome plated, 364151 code.
- 7) Head fitting  $\varnothing 3/4"$  F x  $\varnothing 1/2"$  F chrome plated, 599155 code.
- 8) Head plug  $\varnothing 3/4"$  F chrome plated, 599351 code.
- 9) Fitting for plastic pipes 591 series.
- 10) ANTISHOCK water hammer shock absorber - 525 series.
- 11) 3-piece fitting, chrome plated, 588 series.
- 12) Fitting with self-adjusting diameter for single and multilayer plastic pipes, 681 series DARCAL.
